INTERNSHIP

Full Stack Developer Intern, Mirobytes Technologies Dec 2023-June 2024

- Developed and maintained web applications using ReactJS, Redux, and JavaScript.
- Worked closely with other developers, UX designers, business analysts, and system analysts to design, develop, and deploy responsive web applications.

PROJECTS

Portfolio Website ([Link](#))

- Developed a fully responsive portfolio site using ReactJS, CSS, JavaScript and TypeScript.
- Deployed on Netlify and integrated GitHub projects.

Java Student Management System

- Built a simple console-based Java app for adding, viewing, and deleting student records.
- Implemented OOP concepts like classes, objects, inheritance, and file handling.

Airport Lounge App (UI/UX)

- Designed a modern mobile UI using Figma with a focus on seamless user experience.

Certifications

- **JavaScript Essentials 1 & 2** – Cisco Networking Academy

Personal Details

Date of Birth: 05 Feb 2004

Languages: English, Hindi

Interests

- Reading tech blogs, software documentation, and self-improvement books
- Exploring new trends in UI/UX, full stack development, and cloud technologies
- Creating visual content for web and app interfaces
